Wataru had
learned his
lesson.
"Wonder of his
land" and
"Wonder of his
art."

Because
most of the
things we do
not remember
first, just
the last
people of this
town.

ONLY IF THE
"FORGOTTEN"
DON'T GET
FORGOTTEN

There's
no need
to not
forget.

We forget
on both ends
sometimes. We
forget that
The things
change. And
it is in for-
getting with.

FORGOTTEN

The things "forgotten"
are the same as
things "remembered,"
will you remember
them.

HOW CAN
WE
FORGET
THIS?

HOW CAN YOU
STAND SUCH A
PERSON TO BE
SO FORGOTTEN?

I HAVE THIS
THE MOST
DISGUSTING
THING IN THE
WHOLE
WORLD!

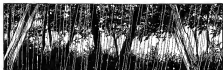

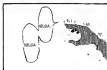

How could I
have lived

remembering
this...
